Reference for Corporate Hygenics Ltd.

To whom it may concern,

This is a reference for Corporate Hygenics Ltd. who have been conducting the cleaning operations at our Whitelands College development.

The company has worked efficiently and professionally at all stages of the project to date and been very forthcoming with labour requirements when needed at crucial stages in the programme.

The end product after each staged clean has been of a very high standard and I would highly recommend Rex and his team.

Yours sincerely
